Official Next Wave CNC Trade-in Program Details

Please complete all required steps below.

Check off items as completed

- Contact sharkswap@nextwavecnc.com and include a picture of your SD100 for trade.
- Next Wave CNC will respond via email with written RA (return authorization) number and detailed directions on how to proceed.
- Purchase a qualifying HD510 or HD520 from any of our Nationally Authorized Distributors or through one of their online locations.
- After purchasing your New CNC Shark HD, package the SD100 into its original box and ship to:

Next Wave CNC
Attn: Shark Swap
600 West Boundary Street
Perrysburg OH 43551

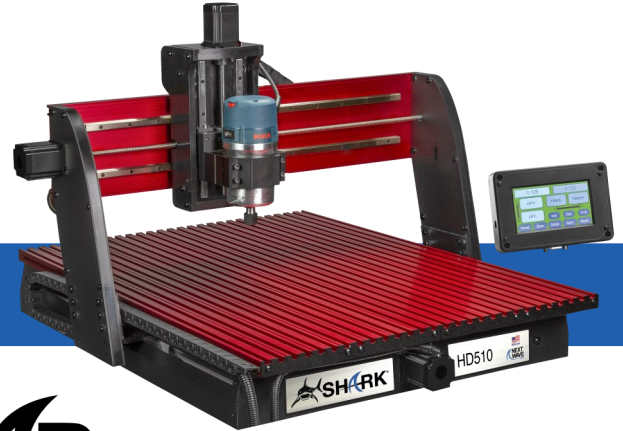

The Shark SD100 should contain the following items:

- The new unopened Vectric Design Software that is packaged with your new HD510 or HD520 machine. The software is the same software you currently own and will be donated in your name along with your trade-in machine to one of the many schools that have signed up for this program.
- All cables, and controller—(Keep your original clamps, V bit and **original VCarve Software**)
- Please include a copy of your Shark HD510 or HD 520 receipt as proof of purchase.
- This original form completed in its entirety. (Please keep a copy for your records)

NOTE: If the new unregistered software is not returned with your trade-in, an additional charge will be deducted from your final trade-in value.

NOTE: If you traded for the HD520 extended version, after returning the New Pro Software an additional credit of \$350 will be applied to your refund to be used to upgrade your current Desktop version to Vcarve Pro. Any questions please email sharkswap@nextwavecnc.com
